

Why Choose Us

SpendyLove Home Care staffing is dedicated in providing quality service and excellent care

while the client needs are met.

The client is our number one priority.

We provide pediatric and adult skilled and unskilled Private Duty Nursing (PDN) services in the comfort of your home and school. Our nurses and aides are specialized in the pediatric and adult population and experienced in all levels of care such as school nursing, live-in, live-out and companion care.

The nurse's and aide's have been well trained and background checked to give our clients a relief knowing they are in good hands.

We are fully bonded and insured.

We offer free assessment & are very affordable.
