

About Us

SpendyLove Home Care is an **ACCREDITED** agency dedicated in providing quality service and excellent care while the client needs are met. The client is our number one priority.

We provide PDN (Skilled Nursing) for Adult and Pediatric clients & PDA (Home Health Aide) for Adults and Pediatric clients in the comfort of your home and or school. Our Nurses and Aides are specialized in the Adult and pediatric population and are experienced in all levels of care such as live-in, live-out, wound, bowel, Foley care, school nursing/special needs and companion care.

These individuals have been well trained and background checked to give our clients a relief knowing they are in good hands.

We are fully insured and has all the state required bonds. We are very affordable.
